FOR IMMEDIATE RELEASE

**MORE CONSULTING HAS BEEN VERIFIED by the
DEPARTMENT of VETERAN AFFAIRS as a VETERAN
OWNED SMALL BUSINESS.**

MORGAN HILL, California, May 15, 2020-The U.S. Department of Veteran's Affairs has verified MORE Consulting as a Veteran Owned Small Business (VOSB) and is now eligible to participate in Veterans First Contracting Programs with the VA.

"It's a real honor and opportunity for the business," said Michael Orosco, Veteran, Owner and Chief Engineer for MORE Consulting. "Achieving this certification is a big part of the many strategic plans to put MORE Consulting on the map as a premier electrical consulting firm. On our own, or part of a greater design team we hope to bring value and expertise to ongoing and future projects with the VA."

MORE Consulting will be listed as an approved VOSB within the VA VIP contracting database and will actively bid for VA projects. We welcome all our design partners and contractor teams looking for a qualified electrical design firm to collaborate as a member of a winning team.

ABOUT MORE CONSULTING:

MORE Consulting is a true start-up Electrical Engineering Consulting Company focused on the Reliable Critical Power needs of the construction industry. We are a precision company that is agile to emerging customers and project demands looking for an experienced and effective team focused on fast-paced projects. We were founded in 2016 and aspire to fill the gap between design concept and actual constructability.
