FOR IMMEDIATE RELEASE

MORE CONSULTING’S CHIEF ENGINEER, MICHAEL OROSCO, ACQUIRES PROFESSIONAL ENGINEER LICENSES IN VIRGINIA AND OREGON.

MORGAN HILL, California, September 17, 2020-The Virginia Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects and the Oregon State Board of Examiners for Engineering & Land Surveying has issued Michael Orosco Professional Engineering Licenses in their states.

“Quality growth comes naturally.” said Michael Orosco, Owner and Chief Engineer for MORE Consulting. “As we continued to service our customer base here on the West Coast, their diverse growth into other regions of the US Market drove a need for MORE Consulting to be fully registered where they needed us. In Oregon, we see a broad opportunity in our Agriculture Market and in Virginia we have many data center customers and potential opportunities.”

MORE Consulting has projects in many parts of the US, where we support our customer base servicing their needs from Bridging Documents, to fully designed and EOR stamped Construction Drawings. MORE Consulting’s Chief Engineer is currently registered in the following states:

- California
- Arizona
- Washington
- Nevada
- Hawaii
- Oregon
- Virginia

ABOUT MORE CONSULTING:

MORE Consulting is a true start-up Electrical Engineering Consulting Company focused on the Reliable Critical Power needs of the construction industry. We are a precision company that is agile to emerging customers and project demands looking for an experienced and effective team focused on fast-paced projects. We were founded in 2016 and aspire to fill the gap between design concept and actual constructability.
